*Spay/neutering is REQUIRED for daycare. Spay/neutering is important to know for boarding. Owners are responsible for identifying dogs who are spayed/neutered so that McGraw's Paws can keep boarded pets separate. Owners accept all liability should they fail to identify to McGraw's Paws that pet is spayed/neutered.

Socialization Notes

*Special notes for Staff to consider. A few examples: "socialize with like-sized dogs only", "not spayed/neutered—do not socialize with opposite gender dogs" or "several separation anxiety if not with sibling." Cats will not be socialized during boarding. Each boarding house will be for an individual cat unless multiple cats live in the same household and Owner chooses to board multiple cats per cat house.

Other Information

*Staff at McGraw's Paws rely on your information when providing care for your pet. In the event that any of the information provided proves to be inaccurate regarding the behavior of your pet resulting in injury to others' pets or people, the pet owner will be responsible for any costs incurred. List any other information about your pet(s) that may be helpful to us.
